BREATHITT COUNTY NEWS.

ATHOL ATOMS.

Uncle Ben Bigstaff preaches every first and third Sunday at this place.

Miss Francis Johnson visited her sister on Friley's creek several days last week.

Miss Calla Bowman attended the Teachers' Institute at Beattyville last week.

A steam mill blew up here a few days ago and injured several, but nobody was killed.

The farmers in this community are earnestly hoping for rain, but they should be praying instead of only hoping.

In a difficulty at a blind tiger near Oakdale, I. C. Gabbard was wounded, but the probability is that he will recover.

Thomas Gabbard, teamster for Mat Bowman, was seriously hurt by a wagon running over him, but is slowly recovering.

In less than a week we have heard of six men being killed outside the boundary of Breathitt. Are the surrounding counties going to follow suite, and take up some of Breathitt's practices? We sincerely hope not.

Miss Calla Bowman, one of the most successful and experienced teachers of Breathitt county, will teach the village school at Fillmore, Lee county, this year. We feel sure she will be as successful in Lee county as in her native county.

The money that is spent for intoxicants in this county would be far better spent were it contributed to churches or the building of educational institutions, and perhaps would bring some of the wayward ones to repentance and educate the ignorant. It is not the educated people that drink and fight, but the ignorant ones.

July 13. DALEY.

Catarrh of the Stomach.

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete much, instead of the natural juices of digestion. This is called Catarrh of the Stomach. For years I suffered with Catarrh of the Stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by all druggists.

Organized Odd Fellows Lodge.

Joe Lykins, esq., Dr. H. H. Stamper, George W. Lovelace, Harry Combs, Tom Bailey and Rich Holton, of Campton, passed through our village Tuesday, en route to West Liberty to institute a lodge of Odd Fellows at that place Tuesday night.

Dumb As An Oyster.

Nelse Nickell and Curt Lacy went to West Liberty Monday. The former to have witnesses for the prosecution summoned and the latter to talk with Purcell. But he wouldn't even show himself, and feigned sleep when they tried to arouse him.

Made a Good Record.

Will F. Wheeler came in from Lexington Wednesday to spend a few days with homefolks. Willie made a good record in Kentucky University last session and is now stenographer for the manager of the Southern School Journal.

Then Everybody Laughed.

Dr. Stamper, the dentist, a few days since did some bridge work in his own mouth that seems incredible, as that particular work is difficult for a dentist operating on the party of the second part. But all the same an examination of Harlan's molars shows the work, and there being no other dentist in town even the most skeptical must accept his statement for the fact, all of which shows him to be a cracker-jack in his profession. Being asked if he had any trouble with the job, he replied, "The only difficulty was to keep the darn fool still; he was awfully fidgety." And then everybody laughed!

I have practiced medicine for 36 years and have consulted the leading physicians in this country in regard to a remedy for Dyspepsia, but have never been able to find anything that would affect a cure until I used Kodol Dyspepsia Cure. I have suffered with stomach trouble for years. Could not eat anything but milk toast for months, but since I used Kodol I can eat anything and feel that my health is better than it ever was in my life. I cannot say enough for Kodol, for it has saved my life and I know that it will cure any case of Dyspepsia if taken as directed.—M. D. Settle, M. D., Big Hill, Ky. Sold by all druggists.

Will Teach at Ticktown.

Leroy Boggs, of this place, has secured the Jeffersonville, Montgomery county, school to teach, which has an enrollment of 105. Soon after the examination, if he gets a first-class tag, he will rap for books, and with his experience should give them a good school.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Kodol Dyspepsia Cure

It can't help

but do you good

Prepared only by F. C. DeWitt & Co., Chicago. The 51. bottle contains 2 1/2 times the 10c. size.

JUDGE H. F. PIERATT.

SOME printer who is conversant with the routine work of a country printing office, and now out of a job, can secure a situation by application to this office, either in person or by post. Our brethren of the press will confer a favor if they will "norate" our need in their respective sheets, for which we will gladly reciprocate at any time. Or, if they be in Northeast Kentucky and are visited by a hobo type who may want a "sit" and a home, we will appreciate it if they will steer him in our direction. We want one now and must have one p. d. q. Send us assistance, brethren, and command us when you will.

THE HERALD wants a correspondent at every postoffice in Wolfe and Morgan counties, and to every one who will send us the news each week we will send the paper free and pay postage on the news letter. The paper is now 50 cents a year and a good club can be raised at each postoffice in the two counties. For every yearly subscription sent us we will allow 10 cents, and out of one the correspondent can take enough to pay postage for three months. We allow correspondents the 10 cents commission and pay the postage in this way as an incentive to them to increase the subscription list at their respective offices. Where a correspondent cannot create enough interest to pay the postage on this plan it would be folly for us to otherwise supply it. So if you can not get up a good club at your postoffice.

Jump on the Judge.

Every day somebody says to us, "Cooper, why the devil don't you stir up the county judge about the roads? He ought to be made do his duty," and a whole lot of similar statements. To all of which we wish to say, Jump the Judge. He is responsible for the roads. But as he will see this he will take a rule against overseers, may be, and get the roads fixed.

Strength

Comes from well digested and thoroughly assimilated food. Hood's Sarsaparilla tones the digestive organs, and thus builds up the strength. If you are getting "run down," begin taking Hood's at once.

\$10,000 GIVEN AWAY.

The Louisville Courier-Journal to Make a Cash Distribution to Subscribers.

In 1891-2, the Courier-Journal, of Louisville, Ky., inaugurated and carried to a successful issue the first great estimating contest ever conducted by a newspaper. This contest was based on the presidential election of 1892, and 14,400 was distributed to Courier-Journal readers.

In response to numerous requests, the Courier-Journal has decided to inaugurate another similar contest, based on the total vote cast for all candidates for governor of Kentucky in the election, November 3, 1903. Ten thousand dollars (in gold, silver or greenbacks) will be given away to successful estimators. There will be single gifts of \$3,000, \$2,000, \$1,000, \$500, \$300, \$200, \$150, \$100, \$50, and \$30, and 1,070 gifts of \$10 each. In addition, there will be gifts of \$500, \$300, and \$200 for the best estimates received before August 1, before September 1, and before October 1. The object of this profit sharing liberality on the part of the Courier-Journal is to secure new subscribers for the Daily and Weekly Courier-Journal. Every person subscribing for the Weekly Courier-Journal one year, sending one dollar with the subscription, is entitled to two guesses or estimates. Every person subscribing for the Daily Courier-Journal by mail one month (60 cents) is entitled to one guess; one year (\$6.00), twelve guesses. Renewals count the same as new subscribers. Write to the Courier-Journal Company today for full particulars and blanks.

WANTED—A boy or girl to set type in this office, one with some experience preferred. This is a splendid opportunity for a young lady of some education to equip herself as a proof-reader—a position that pays from \$15 to \$50 per week—as type-setters make the most expert readers. And nothing could be more refined.

Miss Ida M. Snyder,
Treasurer of the
Brooklyn East End Art Club.

"If women would pay more attention to their health we would have more happy wives, mothers and daughters, and if they would observe results they would find that the doctors' prescriptions do not perform the many cures they are given credit for."

"In consulting with my druggist he advised McElree's Wine of Cardui and Thedford's Black-Draught, and so I took it and have every reason to thank him for a new life opened up to me with restored health, and it only took three months to cure me."

Wine of Cardui is a regulator of the menstrual functions and is a most astonishing tonic for women. It cures scanty, suppressed, too frequent, irregular and painful menstruation, falling of the womb, whites and flooding. It is helpful when approaching womanhood, during pregnancy, after childbirth and in change of life. It frequently brings a dear baby to homes that have been barren for years. All druggists have \$1.00 bottles of Wine of Cardui.
